How to use this guide

The color coded sections in this guide correspond with the city index on page 8.

The cities and map page numbers are listed in the color section at the top of each page.

Why hotels offer these substantial savings

The special rates in this guide are **"BASED ON AVAILABILITY."** This means that coupons will generally be accepted unless the hotel believes that it can sell its remaining rooms at the regular published rate. Like many other items, the price of a hotel room changes according to supply and demand. When business is slow, a hotel may offer a limited number of rooms at a low rate to attract additional guests. **During busier times (special events or peak periods), that same hotel may charge full price and not accept coupons or other discounts. Similarly, coupons will not be accepted if you have guaranteed advance reservations made at a higher rate.** It is easy to find out if a hotel has discounted rooms available. Just call ahead and ask the hotel operator if the special coupon rate is available tonight and that you would like to use a RoomSaver coupon. They will be happy to let you know if the coupon rate is available.

Porque los Hoteles ofrecen estas considerables Ofertas

Las tarifas especiales en esta guía están **"BASADAS SEGÚN DISPONIBILIDAD."** Esto significa que generalmente los cupones serán aceptados, al menos que el hotel crea que podría vender el resto de sus habitaciones a sus tarifas regulares. Como muchos otros artículos, el precio de las habitaciones del hotel cambia de acuerdo a la oferta y la demanda. Cuando hay poca afluencia de clientes, el hotel podría ofrecer un número limitado de habitaciones a tarifas reducidas para atraer clientes adicionales. **Durante las temporadas mas concurrida (eventos especiales o temporadas altas), el mismo hotel podría cobrar su tarifa normal y no aceptar cupones u otros descuentos. Del mismo modo los cupones no serán aceptados si al cliente se le ha garantizado una reservación por adelantado a una tarifa mas alta.** Es muy fácil chequear si un hotel tiene habitaciones disponible a tarifas de descuento. Sólo tiene que llamar con anticipación y preguntarle al operador del hotel si la tarifa especial publicada en el cupón está disponible para esa noche y notificarle que a usted le gustaría usar un cupón de RoomSaver. Ellos muy amablemente le informaran si la tarifa del cupón está disponible o no.
